THE PROJECT

"Shadow on the Road" is an educational role-playing game that will teach you the basics of road safety by spending a fun time in the company of other players.

It is a collaborative role play that is complemented by an informative blog about Road Safety and a Repository that collects photographs related to this topic.

GLOBAL

Website with
free download
of the game

A role-playing card game designed for young people to solve road safety problems creatively. You just have to download and print the cards, the rules and the game board and ... you are ready to play

The 30 students of 4rd ESO played in "Shadow of the Road". Hung in network and have played nearly 660 students at the school.

COLLABORATIVE ROLE-PLAYING

"Shadow on the Road" is an educational role-playing game that will teach you the basics of Road Safety by spending a fun time in the company of other players.
